Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

### DETAILED ACTION

The timely submitted amendment filed on June 8, 2004 is not fully responsive to the Office Action because it does not comply with the Revised Amendment Practice of 37 CFR 1.121. The "[r]einstated" status of claims is not a proper status. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action.
